

Dear Parishioners,

I hope you are all keeping safe and well in these difficult times.

A thank you to all who continue to make offertory and/or finishing fund contributions by standing order. This guaranteed income will be all the more vital to the running of the parish as we will still have significant bills to pay during this crisis.

However without the cash collections at the various Masses over each weekend we now stand to lose more than £1,000 per month in income which will put a considerable strain on our finances.

Could I therefore strongly encourage anyone who currently does not make their offering by standing order to consider doing so if they are able to.

You can do this by completing the Standing Order Mandate that you will find attached to the website and forwarding this to your bank or you can set up the standing order online to the following account.
